1. Update from Green Travel Month 2010

- **Schools** – Helen updated on response from Marling, Maidenhill, Archway, Wycliff, Rednock, Stroud High, Katherine Lady Berkeley
- **Access Bike** – no take up this year (John M to go to STC to ask if we can allow families in Stroud to take advantage rather than just Archway)
- **Event**, June 12th – not as good as last year (no second hand stall / Cytek / police stall. World Cup on same day)

2. Follow up

- Meet with Simon, John M, Rachel
 - Will SDC continue to fund Co-ordinator? (TS not wanting to spend time bidding for funds)
 - Ask about timing of setting budget / When do we need to put budget together?
 - Draw up desired budget (with help from Transport Group and TS) – propose to SDC
- Meet with Tripswitch partnership
- Suggest stall once a month at Farmer's Market instead of Event on Subrooms forecourt
 - staffed by volunteers – cycle trainers / TS / Sustrans / SVCC
 - Could include info from TS / Open Homes / Walking Festival
 - Items from partners?
 - Second hand bike gear?
 - Where could we store crate full of stuff?
- Changing Gear – provide 'tool kit' for schools
 - Need person to work with schools to make items in 'tool kit' happen
- Back2Bike – design business card (like Changing Gear) with details of contact and what's on offer

3. Transport Group

Who are members? Group now only Carol, Nigel, John and Hagar. Just backing up Tripswitch. Helen finds it a useful thinking space.

4. Action
